## HIDAYAH ACADEMY

### “Seeking knowledge is an obligation upon every Muslim” (Ibn-e-Majah)

“I feel pleasure in welcoming you to an Islamic Education Institute which caters to the need of individuals who are busy in their professional lives and they also desire to learn the deen. Under the umbrella of Jamia Hidayah, both men & women can attain the blessed Noor of Uloom e Nabawiyah (Prophetic Knowledge) in flexible timings.

With a team of qualified individuals and experts in different Islamic disciplines this institute not only imparts Islamic knowledge and skills but also focuses on the spiritual training of its students.

Alhamdulillah, we have campuses in 4 cities in Pakistan and have established network portals for online students in more than 27 countries of the world. Our student body has far exceeded a headcount of 400 students, amongst whom are dozens of PhDs, Graduates and Undergraduates. By the Grace of Allah, this Institute has grown enormously in a short span of 15 years.

### Prof. Dr. Muhammad Khalid Khan

Director, Karachi Institute of Economics and Technology.

Hidayah Academy has been a major contributor towards my journey of Personal and Professional Development. The guidance of Shaykh Sb and my teachers and their encouragement was the most important factor in the completion of the eight years of Dars-e-Nizami. It did not matter how busy I was, there was always someone to help and encourage me to continue and keep up with the hard work.

### Dr. Muhammad Yahya Noori

Associate Professor of Microbiology (Dow University of Health Sciences)  
MBBS (Dow), PhD Infection & Immunity (University of Glasgow, UK)  
MBA Marketing, MSc Organizational Psychology  
Post Graduate Diploma Applied Psychology

Having studied in some of the world's best universities, and as an Assistant Professor at IBA, I have not witnessed the level of dedication and commitment with which my teachers in Hidayah Academy taught me. Their knowledge of the subjects which I learned from them is surpassed only by their concern for their students.

### Dr. Muhammad Azam

Allah's Grace, Determination and Compassion- three ideas that translated into a new reality while i was at Hidayah Academy, studying with my teachers and fellow students. Thank you for reintroducing life.
