HIDAYAH ACADEMY

“Seeking knowledge
is an obligation upon
every Muslim”

(Ibn-e-Majah)

“ President Message

I feel pleasure in welcoming you to an Islamic Education Institute which caters to the need of individuals who are busy in their professional lives and they also desire to learn the deen. Under the umbrella of Jamia Hidayah, both men & women can attain the blessed Noor of Uloom e Nabawiyah (Prophetic Knowledge) in flexible timings.

With a team of qualified individuals and experts in different Islamic disciplines this institute not only imparts Islamic knowledge and skills but also focuses on the spiritual training of its students.

Alhamdulillah, we have campuses in 4 cities in Pakistan and have established network portals for online students in more than 29 countries of the world. Our student body has far exceeded a headcount of 400 students, amongst whom are dozens of PhDs, Graduates and Undergraduates.

By the Grace of Allah, this Institute has grown enormously in a short span of 16 years.

Since long, I held a wrong perception in my mind that the knowledge of Islam could be easily gained through reading books and watching videos of the Scholars. However, my perception has changed after joining Hidayah Academy. My Journey at Hidayah has been wonderful so far.
